## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 4/10/2008 has been entered.

### ***Information Disclosure Statement***

2. The IDS filed with the RCE has been considered. The Lakritz reference has been crossed out because it was already cited by a previous examiner on the PTO-892 Form, dated 7/13/2005. Since these references do not anticipate nor in any combination make obvious the previously allowed claims, said claims are herein again indicated as being allowed, next.

### ***Allowable Subject Matter***

3. Claims 1-4, 6-10, 13-19, 22-23, 34-36, and 38-40 are allowed. The following is an examiner's statement of reasons for allowance:

Independent claims 1, 6, and 15 are allowed because they recite identifying and rank-ordering a plurality of client user's preferred languages for purposes of browsing (the user being at the recited second computer), by using a language found as part of the user identity information in the user's directory at the server (the recited first computer) upon login, a language derived from the location of the user's computer, and language information in the user's browser itself. The prior art of record does not teach nor fairly suggest obtaining language preferences from all these three sources of information so as to rank the plurality of user-acceptable language options.

Dependent claims 2-4, 7-10, 13-14, 16-19, 22-23, 34-36, and 38-40 are allowed because they further limit their independent or their parent claims.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
